As the success of the Montessori approach depends upon the child's attendance over a continuous period, it is a general policy of the school to discourage the withdrawal of children during the school year. However, if it is necessary that a child be withdrawn due to moving, illness or like causes, one month written notice MUST be given to the school. Withdrawals will only be accepted at the end of any month at which time any remaining post dated cheques will be returned. Post dated cheques WILL NOT be returned after March 31, 2009. After August 1st, 2008 your June 2009 deposit cheque will be non-refundable if your child does not start in September, 2008.
